BS MOVES ONE WEEK CLOSER TO CHAMPIONSHIP

KB Picks 11 Winners to Win Weekly Honors

Effective date: 2013-12-23

BS thwarts back attempt after attempt by SS to gain any ground. Over the last three weeks BS and SS had eight goo games in which SS held the home team advantage six times. Advantage SS? No, the home team won only three times. BS and SS had three differences this week giving SS hope to catch the three time champ but BS wins two out three to push his advantage to four games over SS and seven games over KS. The Sweeney brothers are going for the horse racing equivalent of a win-place-show final.

MS continues his hot picking with 32 winning picks over the last three weeks. This was a good week for BS, KS, DP, JD, CM, MM, BD, MS, and JR all posting 10 wins this week.

Next week’s edition will be devoted to our 33rd PFVCC Champion. A Rules Committee reminder, that during the last week of the season members cannot access Group Picks, as that page, is turned off to keep the final results confidential, until the final audit of the records is completed. Once the final results are ready they will be posted so check in late Sunday afternoon.

Good Luck BS and SS as they jostle to an exciting finish.
