KS Opens The Season With A Bang

BD, LF & SS Give Early Chase, MM Logs Win 3,700

Effective date: 2018-09-11

With a better than average start out of the gate our 4 time champion, KS, begins his bid for the coveted 2018 season trophy. BD, LF and SS pick their way to the share the second place spot notching 10 wins each. Nipping at the heals of these three tried and true competitors are a pack of hopefuls that are too numerous to mention.

Special note to MM for career win 3700 during the week. In normal style, NF takes a stab at a loner with TB and was rewarded for his efforts. In other loner news: DP attempts 2 and MM targets his best. Tip of the cap to these two pickers, but alas no fruit from their labors.

Thanks to all those that have sent in their dues. For those that have not, you will have bad luck for 16 weeks or be contacted by a prince overseas requesting you to wire him money in order to bring you a million dollars.

Looking forward to the weeks ahead.

Yours in picking,

- BS, President
