

'Twas the Week Before Christmas

A PFVCC Story, Written by LF

Effective date: 2023-12-20

'Twas the week before Christmas, when all through the league

DP was the man to catch, while the rest battled fatigue

Week 15 began with DP up two, but come Sunday night the tension grew

With 13 wins for LF he answered the call, now tied for first setting up a penthouse brawl

Close to top honors and not far behind, NF, CM, SS and MM had 12 wins in a grind

DP, BS and MS with 11 wins of their own, and championship or not, true grit they have shown

With MS, NF and PM taking picks written in red, MS and NF each had a win when it was all done and said

Standings now set with the stretch drive ahead, it comes down to two and BS and NF all but dead

Now DP! Now LF!

Now BS and NF!

On, CM! On, SS!

On, KS and MS!

MM, DJ, PM and the rest

Until the last game, losing we detest!

Up and down the leaderboard

We all love Football!

Now dash away! Dash away!

Dash away all!

Through the weeks we've all fought, and given our best,

Though football is pain, and it continues to test

With 3 weeks to play and finish line in sight,

I bid thee Goodluck, and Merry Christmas to all, and to all a good night!
